A View of My Town

- Religious & Benevolent Organizations
Names, addresses & leaders
Youth Programs
- Shopping District
Name ten different kinds of stores. Give their addresses and the type of service they provide.
- Recreation & Entertainment
Give the names and addresses of five places kids go for fun in your area.

You must interview at least two public officials. Make up ten (10) questions to learn about what his/her office does to help out youth. You may submit the interview in written form or tape recorded.

After you have gathered all of your information, you will prepare a presentation **telling all about your city from a teen's point of view.**

Include any combination of write-ups, pictures, brochures, charts, diagrams, maps, dioramas, home-made videos, tape recordings, PowerPoint Presentations, etc.

Present your project to the class on _____.
